Total solutions in marketing, content, film and television productions and broadcasting technologies.

London Filmmakers Studio is a London based company working on production all over the world and co-productions in Malaysia. In 2008, the Malaysian company, London Filmmakers Studio Sdn. Bhd. was started to specialize in film, television and advertising content on multi-platforms. Our strength is in marketing expertise in the audio visual industry around the world and intellectual content of quality.

In the 21st century, we elevated our expertise to include amongst our staff, technical specialists in Internet Protocol technology and game design content.

The team is lead by Ike Ong DGGB of the Director's Guild of Great Britain with 25 years of experience in production and marketing in the film and television industry. His film, "Pequena Paloma Blanca" was officially selected in Venice Film Festival in 2003. He was the Course Director for the Masterclass in the Asia Pacific Film Festival and Raindance Film Festival in London. In 2008, Ike wrote and produced "WiraSiswi".

C.K Wong (FDAM) is a film and television director with 14 years experience in Malaysia on international projects as well as, "50 Tahun Selangor" and Jackie Chan's, "Who Am I". He also won the best director for "Dihembus Pawana" (MFEAFM) and Best Film for "Paper House" (MFEAFM). In 2008, CK directed "WiraSiswi".

Jarod Fong is an award winning game designer for, "Quasr" and graduate from Multimedia University in Software Engineering and Game Design. In 2008, he co-produced "WiraSiswi".

Hafiz Kamaruzaman is an award winning editor such as Best TVC (Gold Award for US Telly Award-2004) for McDonald Chinese New Year, Best Documentary (New York Film Festival) and Best TV Magazine Documentary (MVA 2004) for "The Making of Drum", Best Travelling Video (US Telly Award) for Malaysia Truly Asia. He was also the film editor for a numerous feature films such as Pontianak, Waris Jari Hantu, Hati Malaya 1957, Cinta Terakhir, Lembing Awang Pulang Ke Dayang, WiraSiswi etc.

Our team have the expertise and support from Europe and America to resolve most problems in the audio visual industry.

Our references are Mohd Mayhidin, Ketua Pengarah FINAS and Sandy Lieberman, Chairman of Film London (London Film Commisison).
