# Ce mois-ci *This month*

J' ai fait pas mal de trucs administratifs et d' organisation (dont la préparation d' un stream off pour le mois qui arrive) plus quelques objets secrets. Je n' ai donc pas des masses de choses à vous montrer mais je suis certain que vous apprécierez les 15 premiers pokemons, et le dessin «Océan».

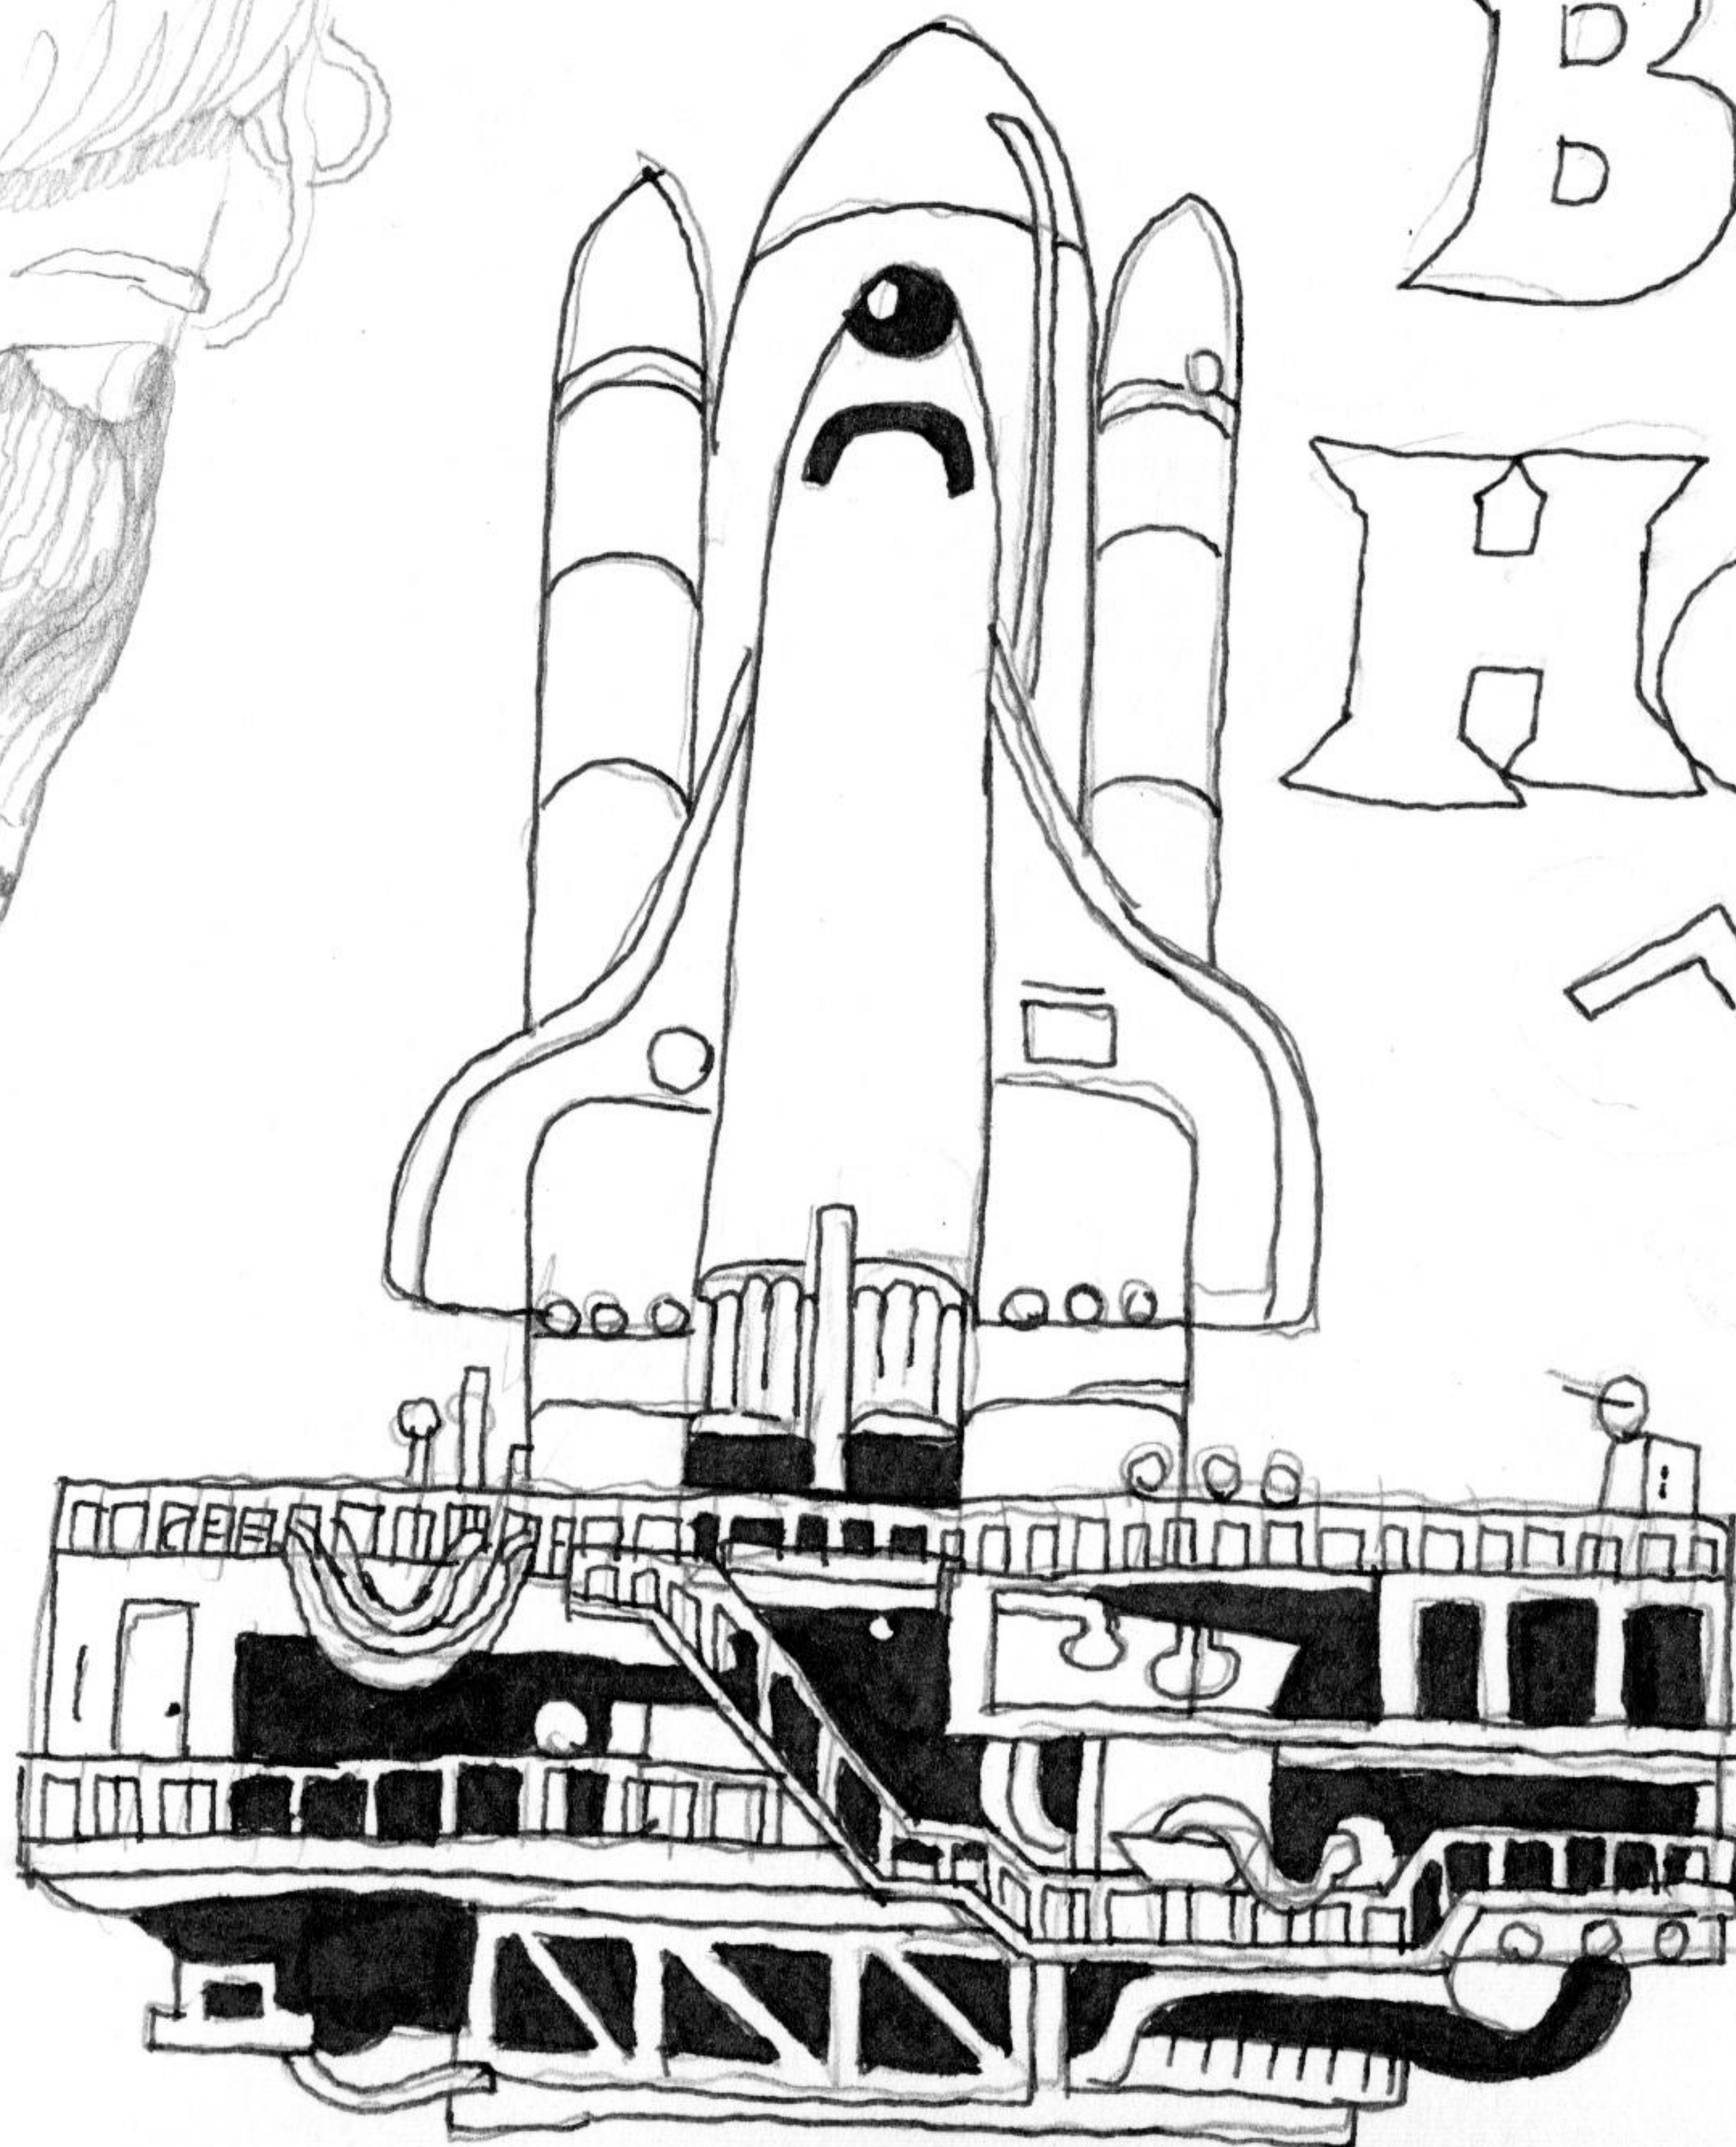

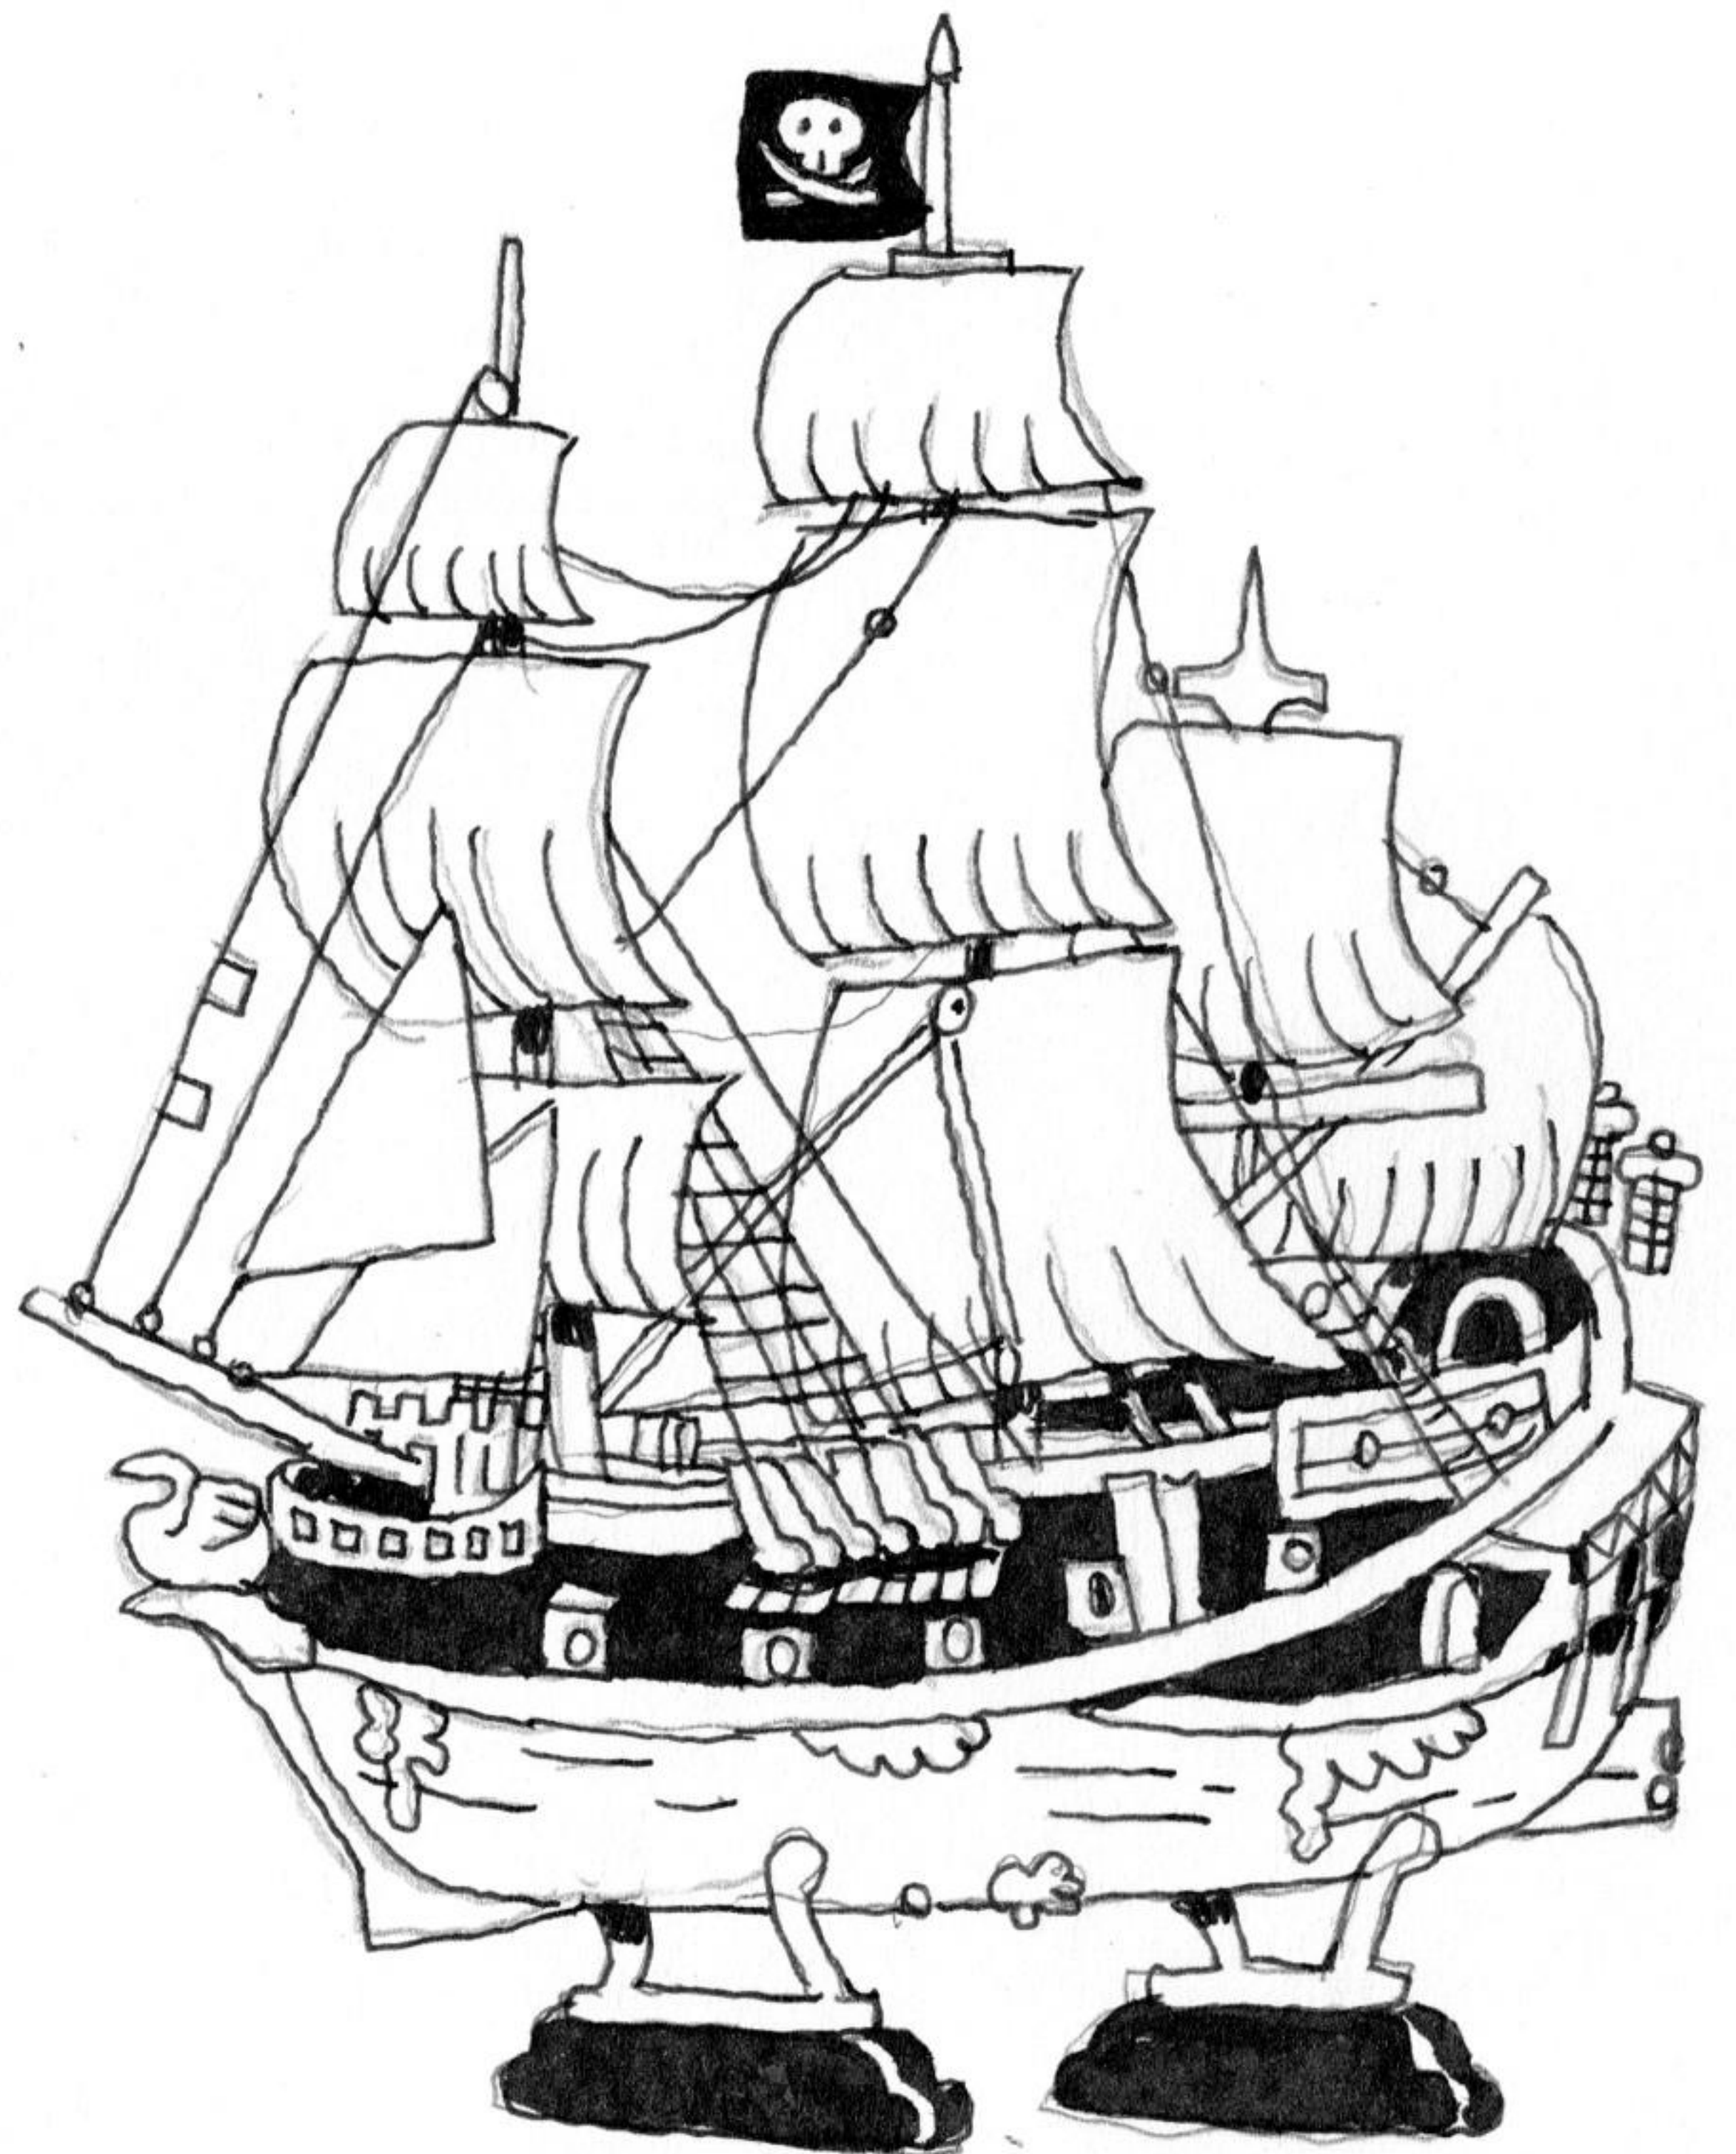

*I did a lot of administrative and organizational stuff (including the preparation of an OFF stream for the coming month) and some secret items. So, I don' t have lots of things to show you but I' m sure you' ll enjoy the 15 first pokemons, and the «Ocean» drawing.*
